

Golf Transfers

We understand that this is your holiday and want you to have the most wonderful time possible. As such, it is important that each day you are ready to depart at least 10 minutes prior to the pick-up times noted on this itinerary. This means being at reception with all golf equipment, 10 minutes prior to departure so that your host has time to load all golf bags into the bus.

Passport & Visas

It is your sole responsibility to ensure you have a valid passport at the time of travelling and that you hold all necessary visas and permits. All Australians must hold a valid passport for international travel. Some countries require you to hold passport with at least six months validity.

Dress Regulations

As a sign of respect to the golf clubs that we play on this tour, and their members it's important that we adhere to their dress regulations and are neatly dressed at all times. This means no denim, tracksuits, leggings, cycling shorts, singlet tops or t-shirts. Shirts must be collared but can be sleeveless. Metal spikes are not permitted in any of the clubhouses. Mobile Phones are permitted in the clubhouses only. They are not permitted on the golf courses with exception given for medical reasons. As weather can be unpredictable, please also pack some lightweight, reliable wet weather gear, just in case.

Golf

G & T tours & ND Golf are all about travelling the world, meeting likeminded golfers, improving our golf, playing beautiful courses and having fun. We ask our guests to remember that this is a golf holiday, not a golf tournament. This means that your Tour Host may or may not run a competition on the tour.

Your itinerary includes your tee times and playing groups for each day. To ensure that a good pace of play is kept at each course, please be at the 1st tee and ready to play when it is your time to tee off, and once playing ensure you are keeping up with the group in front.

Many of the golf courses that you will play on this tour will not have drinks carts out on the course or halfway stops. If you know that you get hungry while playing golf, please pack some snacks and drinks for each round.

Travel Insurance

It is mandatory that you have your own comprehensive travel insurance while travelling on a Golf & Tours or an ND Golf holiday. The policy should provide cover for any element of your booking including loss of deposit, cancellation, liability for illness, medical expenses, repatriation, personal injury, death or loss of any kind, delay and inconvenience caused directly or indirectly by Golf & Tours, ND Golf or by any other third parties we subcontract to, and loss or damage to baggage and valuables. You are responsible for making any special or increased insurance arrangements which you deem are necessary. The payments made to G & T and ND Golf for your tour are non-refundable. Travel insurance will cover you for unseen circumstances that may force you to withdraw from the tour.
